11 GORDON HALL,
12
13 vs. Petitioner/Defendant,
14 UNITED STATES OF AMERICA,
15 Respondent/Plaintiff.

CASE NO. 99cr1514 JM

ORDER DENYING MOTION FOR
ENTRY OF DEFAULT AND
DEFAULT JUDGMENT

16 On or about May 28, 2008 the court received from Defendant Gordon Hall a
17 document entitled "Praecipe to Clerk of Court Entry of Default" and on June 2, 2008
18 a document entitled "Motion for Default Judgment." In essence, the documents seek
19 to terminate Defendant's supervised release in this case. As there appears to be no legal
20 basis for entry of default or default judgment in a criminal case to terminate supervised
21 release (and an order of restitution), the court denies both motions in their entirety.

22 **IT IS SO ORDERED.**
